Customizations available. Call for more details

Deco-Chem, Inc. is a privately owned, U.S.-based ink and coatings manufacturer. Our specialties include screen printing, roller coating, coil coating, flexography, rotary screen, letter press and adhesives. Strategically located in Mishawaka, Indiana, our 20,000 square foot facility is just a few miles north of the geographical center of the screen printing and flexographic printing industries. For those located outside of the US, we offer international shipping.
